

**Exhibit A**

**YELLOW CORPORATION**

Date: 1/12/2024

**Content of the Notice**

(a) identification and description of, in reasonable detail, the De Minimis Assets being abandoned, including the estimated book value and appraised value of the assets being abandoned as reflected in the Debtors' books and records	Damaged and obsolete Rolling Stock that would otherwise be sold as scrap; see following pages for additional detail. <sup>12</sup>
(b) identification of the serial number and VIN for the De Minimis Assets being abandoned	See following pages.
(c) identification of the Debtor entity that directly owns the De Minimis Assets	Various
(d) any commissions or disposal costs to be paid to third parties in connection with the abandonment	None
(e) acquisition cost and date	Various
(f) the Debtors' reasons for abandonment	The Company has determined the cost of continuing to maintain, relocate and/or store these de minimis assets outweighs any potential recovery from a future sale. The cost to continue to store such items would amount to 0.7% of the purchase price of the properties at which the assets are located per the Asset Purchase Agreement Dated as of December 4, 2023 between the Debtors and XPO, Inc.
(g) any fees or similar expenses to be paid in connection with the abandonment	None

<sup>1</sup> There may be additional Rolling Stock or equipment that fit the above criteria but are not included in the specific information provided herein as such information is not readily available, but such Rolling Stock or equipment will nonetheless also be abandoned pursuant to this notice. For the avoidance of doubt, this abandonment notice also serves as notice of abandonment of such additional units not specifically enumerated herein.

<sup>2</sup> The Rolling Stock and equipment listing includes storage trailers that are located on the specified properties and used to keep real property related items. For the avoidance of doubt, these pieces of equipment are deemed to be fixtures of the real estate property.
